A Series of Potentially Life-Changing Talks & Prayers

Short Testimony: By **Brendan Savage**

I came to the Life in the Spirit seminars not because I wanted to but because the very last words my darling Sheila said to me before she was taken to her Heavenly home were -

"The Holy Spirit Bren"

I went to the seminar with a broken heart I was tired and weary. My body ached with loneliness and worry. After leaving very quickly that first night and humming the hymn Spirit of the Living God all the way home and all the next day I returned the following week and knew that something had changed within me. Thank God for the seminars, they were a healing and blessing for me and to all who do them in the future. Amen.
